Mr. Amos B. Carter
Lt. Worth, Texas.

Dear Mr. Carter,

I received the set of pictures
taken in Oflag 64, January 19,
1944 and you'll never know
just how much I appreciate
them. Out of the seven pictures
my husband is in four of them.
He is the last person in the
first row of the group picture
of all of the officers on the
steps. It would be kind of
hard to tell where he is
in the other pictures.

The last letter I had
from Lt. was dated Dec. 4th
and he seemed to be all

right. The news looks like it
won't be long until the
Russians will be getting
close enough to liberate
them. I sure hope so. If I
receive any information from
my husband I'll sure let you
know.

Thanks again for the
pictures.

Yours very truly,
Mrs. C. A. Williamson
