Mr Anonymous, Carter

Dear Sir,

I'm writing you to get a little information if possible. We heard from our son Doyle several times before Xmas, the last letter was written Nov-24<sup>th</sup>. We are very anxious to hear again, we cant understand why the letters have quit coming. They came through nicely for a while. We think maybe the boys at that camp have been moved as the Russians are getting over into Poland. Mr Carter if you have had late news from your boy we would appreciate it so much if you will let us know.

Sincerely,

Mrs. A. A. Yardley
