Mr Amos G. Carter,

Dear Sir,

Your writing in regards to our boys.

Do you hear from your boy

very often? we did for a while

but we havent gotten any in so

long, the last card was written

April 26th. and Doyle has never

gotten a parcel or hadnt then.

He said every old P.O.W in

camp had except him, He told

us not to send any more to

just send the labels back to the

war department but of course we

keep trying to get them to him &

cant understand why, we put the

labels on them, He was sure

blue about it, Do you reckon the

Russians have taken them by now?

Lets pray that they have, Mr Carter

if you have any late news of

them & would appreciate it so much

if you would let me know.

Sincerely, Mrs. A. A. Yardley.
