Mr. K. Heakins,

Dear Sir,

I carried the pictures to the studio Sat and the man said he could make the pictures so much better if he had the negatives. I wonder if you have them? I would be so glad if you have & would send them to me if you haven't them I'll have them made from the pictures. Thanking you so much for all you've done I remain, yours truly

Mrs. A. A. Yardley
