Mr. Amos M. Carter,

Wheas, Sir

I rec'd the pictures,
I thank you so much
for them, your Boy looks
so healthy & fine, Wayne
looks a little thin, but
I was so glad to see
them with such good
warm clothing, Mr
Carter do you have the
Boys address from Oflag
that sent you the pictures?
I would like to write him.
Our postman told me
yesterday that that his neighbor
had a boy in prison &
that he had been notified
not to write his Boy any more
that the mail wouldn't
go through, I hope this is
not true with our Boys,
Wayne wrote & said they
had rather have a

2

letter any time as a parcel.
I hate to think of them
having to spend another
winter in prison but from
the way things look now
they are likely to.

Thanks again for the pictures
Yours, Truly,

Mrs. A. A. Yardley
