Dear Mr. Carter,

I suppose you are wondering who I am and what my business is. Well, I know what a busy man you must be but maybe you aren't too busy to notice my letter.

First of all, I am Lt. Col. Doyle Yardley's sister. As you have a son that is in the same camp with my brother, I thought maybe you might be able to tell me a little about them. Have you heard anything from them recently? I am so worried for them and I am very anxious to hear anything concerning them. I do so hope that they have been liberated and are on their way home.

You have been so very nice

to keep my mother informed about  
them and we really appreciate it.

I would thank you so very  
much if you would let me  
know if you hear anything.

Yours truly,  
Juanita Gardley
