Mr Amos J Carter

Kind sir, I read
an article about your son
in the Dallas news saying he
had been liberated. Have you
heard anything for sure I
feel so anxious to learn about
those boys as your boy and
my son was in Stalag III A
at the time on the 6th and 7th of
Feb so I was hoping they might
still be together and we could
get some word from or about
them I will be glad to get
any news that might tell
us about those boys

Truly
