Dear Sir,

I wish to express my deepest thanks for the kindness you and your son have shown to my parents and myself.

You have a son in which you can justly take pride.

I am happy to be able to say that I know such a person as he.

While in Poland he and others of us tried to form a sort of brotherhood for the Texas men who had been captured. Would sure like to know if he and any of the others wish to

do anything about it.

I know how busy you and  
he must be now and  
will understand if I receive  
no answer from you.

Again I wish to thank you  
for your kind note to my  
Father and Mother.

your friend
