Mr. Amon G. Carter,
The Star-Telegram,
Fort Worth, Texas.

Dear Amon:

Thanks a lot for your letter of February 4
and the copy of telegram to Will Rogers.

Before going any further in the matter of
getting a third speaker, I think we had better wait
to see what Will says. Therefore, as soon as you
hear from him, I will appreciate it if you will ad-
vise me.

I don't know whether you are kidding me or
not when you say that perhaps the committee figured
they could not get anybody else. Of course, that is
what some of the crabs will say who attend the dinner,
but you and Will, working in close harmony, can make
them feel that we would not want anyone else even if
we could get him, and I am sure you know without my
telling you that this idea was an absolutely first
choice. But they and we are banking on the propos-
ition going across as outlined - even though you do get
appointed to the Cabinet in the meantime. Hot Diggity!

Sincerely yours,

W. A. Thomson
DIRECTOR.
