Mr. Amon G. Carter,
Fort Worth,
Texas.

Dear Mr. Carter:-

Bill asked me to write and thank you for sending picture of his "Pop" taking a little nap, he had a good laugh out of it. Bill is working down town these days getting there at 5.a.m. Have not heard what sort of an alarm clock he has resorted too, but expect it has to be a good loud one.

Yours sincerely,

Naisy Tyler
