April 25th 1934

Mr. A. G. Carter,  
Fort Worth,  
Texas.

Dear Mr. Carter:-

Replying to your letter of the 18th  
in regard to glasses sent Mr. Rogers in 1929. These  
were received and have been used all the time.  
Another consignment of glasses came from you the  
other day and were received in good condition and  
Mr. Rogers wishes me to thank you for them.

Yours very truly,

*J. Tyler*  
Secretary

P.S. In regard to the American Legion Convention, we  
have received several letters in regard to this, but  
August is too far ahead for Mr. Rogers to make plans  
for, would suggest you drop him a line later on.
