July 2nd 1934

Mr. Amon G. Carter,
Fort Worth,
Texas.

Dear Mr. Carter:-

Mrs. Rogers asked me to acknowledge receipt of your letter of June 25th and to tell you that she was happy to get the little saddle. Mrs. Rogers intended writing you a personal note but has gone away for a week or ten days for a rest.

A registered parcel arrived today from you, and I will see that same reaches Mrs. Rogers when she returns.

Mr. Rogers received the pictures you sent him and I am writing to thank you for sending them.

Yours sincerely,

J. Tyler
Secretary
