Mr. Will Rogers,
Beverly Hills, Calif.

Dear Will:

Realizing that you are short on saddles and the further fact that Mrs. Rogers would probably be pleased with something of this kind to remind her of your early boyhood days, I am sending you a special 5X Fort Worth brand, made by the Hired Hand at Shady Oak Farm. This saddle is carved entirely out of wood and I hope arrives intact. As a matter of fact, I impressed me so much that I almost kept it myself.

The Fat Stock Show and Rodeo opens next Friday, March 15th and lasts through the 24th. Jimmie Moffett will be here Saturday and Sunday, March 16th and 17th, and I hope you can jump on a plane and spend at least a day with us, shake hands with all the rodeo boys and enjoy the show. Please let me know.

Be sure and have this box opened carefully and avoid breaking the saddle as it is not very substantial - merely for looks.

With best wishes, I remain

Sincerely,

AGC.KD
