

My dear Ann Carter

When I arrived home

-the conveyer Vienna rove  
was at the furriers where

Mrs Tyler had sent it to

be tanned and lined - It

is so beautiful, and I

feel grateful to you as

I could never have gotten

one. Mary, of course, wants

it and I'm setting her take  
it back east as she says it  
is very coed at nights in Maine  
and thins she needs it very  
badly - you were sweet and  
thoughtful to bring with all  
this for me and I want to  
thank you for all the trouble  
and time - now please send  
the bill ~~to me~~ - you know I  
told you at the time I wanted  
to pay for it, and you promised  
that I could - you always do  
such wonderful things for  
people and have given so  
many lovely things to will, I  
don't feel right in setting you  
pay for this. I have forgotten  
what you said it would be  
in fact I don't believe you knew

at the time - Any way, I  
do want you to send the  
bill, and I do want you  
to know that it is a  
bravey and Mary and I  
are crazy about it. Some one  
told us you were in h.y., but  
perhaps you are home now - Wren  
is working every day at the  
studio - Mary & I had a  
grand trip, fly out & see us  
soon. Regards to Mrs Carter  
& the children  
Sincerely  
Betty Royer
