Mr. Amos Carter;-

Dear Sir;-

Because you were Will Rodgers friend, I am sending you this bit of verse in memory, of one of the finest men on earth. I am sure the country , will miss him more than any man who has ever lived lived here.

" O Lord let me do what I find to do,  
With cheerful mien.  
Let me live as I never before lived,  
For my fellow-men.

O Lord I pray, you hold me tight  
In the hollow of your hand.  
That I may know your every heart-beat  
For my fellow-man.

O Lord I pray, night and day,  
That I might walk with thee.  
Give me joy of my fellow-men  
That I might make them see.

Sincerely, Emma Henderson.
