Mr. Emory G. Carter  
Fort Worth, Tex  
My dear Mr. Carter:-

RECEIVED  
AUG 20 1935

May I not have the privilege  
of expressing to you my profound sorrow  
and heart-sympathy in the death of your  
friend, Will Rogers - truly the friend of millions.  
My own sorrow in his death prompts me  
in this expression; for I have reason to believe  
no one else in all of Texas is today more sorrowful  
for than are you, and that, perhaps, no one  
not related to him, anywhere, ever did more  
to please and comfort our restless and big  
hearted Will.

Yrs. truly,  
F. L. Craddock

P.S. Please do not consider the usual reply  
necessary, nor wishful. I simply am desirous  
that you know I am thoughtful of your  
sorrow, and have many others  
F.L.C.
