AMON G. CARTER, PRESIDENT

FORT WORTH, TEXAS

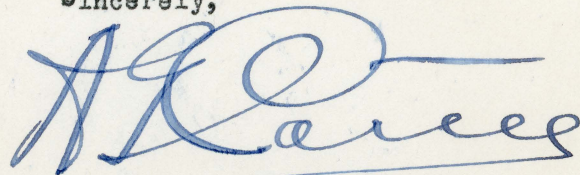

August 23, 1935.

Miss Willabeth Floyd,
Abilene, Texas.

Dear Miss Floyd:

It was exceedingly kind and thoughtful of you to write me expressing sympathy in the death of my dear friend, Will Rogers. I want you to know that I deeply appreciate it. His death was a great blow to me as it was to every one who knew him personally and to the nation. A great influence for sanity, common sense and good feeling has gone from American life but I account it a rare privilege to have known him and to have enjoyed his friendship just as I feel the nation enjoyed a privilege and received a great benefit from his having lived and in the good that he did. We are not apt to see his like again.

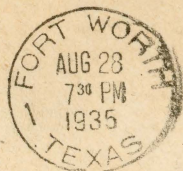

Sincerely,

A handwritten signature in blue ink, appearing to read "A. G. Carter". The signature is fluid and cursive, with a long horizontal line extending from the end of the name.
