DRAMATIZED PHOTOGRAPHS FOR ADVERTISING

426 SOUTH SPRING STREET
LOS ANGELES, CALIFORNIA

August 27, 1935.

Mr. Amon G. Carter, President
Fort Worth "Star-Telegram"
Fort Worth, Texas.

Dear Mr. Carter,

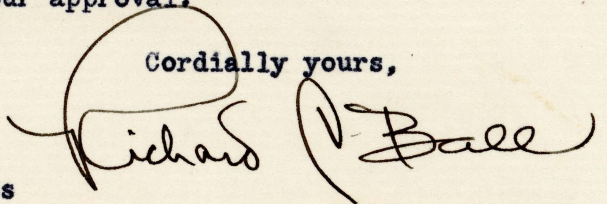

Enclosed are the black and white prints that I selected according to your suggestion in order to get some printable ones in the mail tonight.

I had to make a separate set of negatives for the black and white prints so if it will be any advantage to you I can print as many sets as you may require and forward to you direct, or to any appointed destination.

We are working double time to turn out the colored prints, but I am afraid it will require a week more from this date, but the remainder of the black and white prints will be forwarded in tomorrows mail.

It has been a pleasure that we were able to be of service to you and we trust that the work will merit your approval.

Cordially yours,

Enclosure: 3 prints
