Mr. Amon G. Carter,
Fort Worth, Texas.

Dear Mr. Carter:

I was taken to the hospital quite sick shortly after my arrival in Little Rock to assume my new duties as Regional Procurement Officer for the region covering Arkansas, Louisiana and Mississippi and that accounts for my failure to write you sooner. However, I am sure you know my appreciation of your unfailing friendship, which has been so helpful to me.

I know how deeply you feel the loss of Will Rogers. It is an inspiration to kindlier living to see how universally he was loved. In my mother's lifetime, he was very sweet to her and she called him a kindred spirit.

If I can be of any service to you please do not forget that it would give me pleasure to do so.

Sincerely your friend,

W. H. Bagley.

P. S. I was at a dinner with the Q. L. Porters a few nights ago. He is great admirer of yours.

W. H. B.
