Hon. Amon Carter,

Star Telegram

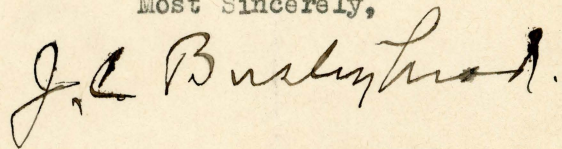

Ft. Worth, Texas.

Dear Friend Mr. Carter:-

I have not heard from you what is being done on the Will Rogers Memorial, thought perhaps you might give any information you have at hand. I had a Telegram from Jesse Jones a few days ago, saying that Vice President Garner had appointed me as one of the committee on Memorial, hardly know what that is or what it amounts to.

Hope you are enjoying the best of health and with kindest regards. I beg to remain.

Most Sincerely,

Dr. J. C. Bushyhead

P.S. Why dont you fly up some week end would be pleased to entertain you?
