Mr. Amon G. Carter,
Fort Worth Star Telegram,
Fort Worth, Texas.

Dear Amon:

I got back from the east a few days ago to find your letter asking me to be chairman of the drive for the Will Rogers Memorial Fund. N. D. Blackstone, of this city, was a roommate of Rogers at some little old Indian school in Oklahoma. They were close friends up to Rogers' death. Nip Blackstone is one of the big ranchmen of this part of West Texas, director in the Wool Growers Central Storage Company of San Angelo and the West Texas Wool & Mohair Company of Mertzon.

I will help him do the work and, of course, the Standard-Times will give this proposition all the publicity necessary, but I am sure it would be much better if Mr. Blackstone were named chairman. Won't you write him a letter telling him you have appointed him? I have not spoken to him about it so make no reference to me in your letter. He is in Kansas and Oklahoma now shipping out a bunch of steers which he has had on Oklahoma and Kansas grass this summer. He will be back here next week.

Best regards.

Sincerely,

Houston Harte.
