

CAPITOL THEATRE

BROWNSVILLE, TEXAS

October 27, 1935

Mr. Amon G. Carter
Fort Worth, Texas

Dear Amon G.

Am most pleased to know you are the leader in a movement for a memorial to the much beloved, Will Rogers, and it thrills me all the more as I view a photograph of your hospitable ranch picturing Rogers, and all the champion cowboys, including my son.

It is my intention to not only subscribe to the movement, but to interest all my friends, of its great valor.

At this time am a candidate for Mayor of Brownsville with an even break to win, and am so encouraged with prospects, am having made a bunch of keys to the city in different lengths, and you may be assured that the largest key is awaiting your visit to Brownsville.

Affectionately,

Joe Manning
