Mr. John C. Fanning,
Capitol Theater,
Brownsville, Texas.

Dear John:

Your letter of October 27th received, regarding Will Rogers Memorial program and I am glad to know you are going to join in as we are anxious to have Texas make the best showing in the union.

Will Rogers performed a marvelous service in behalf of humanity. He was always exceedingly generous and liberal with his comments in behalf of Texas and I am sure there is nothing you could lend your support to which would bring you greater pleasure.

As for your candidacy for mayor, I hope you win.

With best wishes, I remain

Sincerely,
