Fort Worth, Texas,
November 4, 1935.

Mr. Harry Sinclair,
Chairman Executive Committee,
Consolidated Oil Corp.,
630 Fifth Ave.,
New York City, N.Y.

Dear Harry: We are making an energetic, concentrated effort throughout the United States to raise funds for suitable memorials to Will Rogers in Oklahoma and California commemorating the great humanitarian services he rendered and endeavoring to perpetuate his ideals in this respect STOP Frankly, we hope to raise three or four million dollars. To do this it will be necessary to have a number of substantial subscriptions and if we could get some of Will's friends to head this list with fifty thousand or one-hundred thousand dollars it would enable us to put over the drive in good shape. No one in my estimation has rendered a greater service to his fellowman than you and we hope you will feel disposed to join this movement with a generous contribution STOP Vice-President Garner is acting as national chairman; Jesse Jones as Treasurer. Texas is thoroughly organized and as state chairman I am making a drive to lead all states in the union if possible. Your consideration and support shall be greatly appreciated. Your subscription can be credited to Oklahoma, Texas or New York. Best regards.

Amon G. Carter, Vice-Chairman
Will Rogers National Memorial Commission.

PS: The government ruling permits you to deduct this contribution from your income tax. This will help some.
