

Benton, Ark.
Nov. 14, 1935.

Mr. Amos G. Carter, Dear Sir.

Thinking of you as a friend of Mr. Will Rogers. I have designed and made a quilt top in memory of Will Rogers, the quilt is made of five colors it consists of "one star" several air planes, I call it the "Flying Star Will Rogers".

I haven't showed the quilt to any one but the name has caused quite an excitement, the quilt is beautiful there has never been any thing like it I wish to sell my design.

If you will be interested, please let me hear from you on return mail I will keep the quilt from the public until I hear from you, my price is "One Thousand Dollars" $\$1000.⁰⁰$ if you are not interested if you know who might be please send me their name I will send the quilt. C. O. D.

yours Respectfully.
