

November 22, 1935.

Dr. W. B. McKnight,  
Mansfield, Texas.

My dear Dr. McKnight:

Walter Scott has shown me  
your letter of the 21st, enclosing check for \$15.00  
for the Will Rogers Memorial fund, for which please  
accept my personal thanks. This is a nice contri-  
bution and if we could have an equal contribution  
from all over the State it will enable us to carry  
through this memorial fund in line with our ambition.

With best wishes, I am

Sincerely,

AGC.KD
