

ROGERS PHOTOS ARE AVAILABLE

Admirers of Will Rogers can now secure copyrighted photographs of the late humorist-philosopher and at the same time contribute to his memorial fund.

These 8 by 10-inch photographs recording his inimitable smile and unruly forelocks escaping beneath a pushed-back straw hat are being made available to his many admirers at \$1 each by The Fort Worth Star-Telegram, which is donating the entire proceeds from the sale of pictures to the Will Rogers Memorial Fund.

Each of the photographs bears a reproduction of the signature of the famous philosopher, actor and writer and is suitable for framing.

Among his friends, it is the favorite of all the pictures ever made of Will Rogers, and so many have been the requests for copies of the picture that The Star-Telegram decided to reproduce it for all who want it.

In order to make every purchase of one of these photographs a 100 per cent donation to the memorial fund which is to be used to aid unfortunate and handicapped children, The Star-Telegram will donate both the cost of producing and delivering these photographs.

Orders for the pictures should be accompanied by check or money and brought or sent to the headquarters for the Will Rogers Memorial Fund movement in the clubroom of The Star-Telegram Building.
