Mr. Amon G. Carter, State Chairman,
Will Rogers Memorial Commission,
Fort Worth, Texas,

Dear Mr. Carter:

I am enclosing herewith the total contributions received at Midland for the Will Rogers Memorial Commission fund, totalling $232.61. One check is drawn on the Midland National Bank for $111.00 and the other on The First National Bank for $121.61.

Deposit slips were mailed you on November 14 for the $69.36 received up to that date. The additional deposit slips are enclosed herewith, except for one for $1.00 which the bank teller gave the contributor instead of mailing to me.

The list of contributors up to November 14 is in your files, having been enclosed with the deposit slips sent in that report. The additional list is attached to this letter. In the event you do not still have the first list and desire a duplicate, please advise and I will copy them for you. If there is any other information about the campaign here which may be of benefit, please advise me. Although the fund raised here is not huge, it has been a pleasure to conduct it. The contributions received were voluntary and the givers seemed to take pleasure in adding to the fund. The memory of Will Rogers occupies a strong place in the minds and hearts of Midland people.

Thanking you, I am

Yours very truly,

T. Paul Barron

December 16, 1935.
