Center, Texas.

Dear Mrs. Pinkston:

Your letter of December 14th,
enclosing check in the amount of \$10.00 covering
contributions listed with the Center Daily News
for the Will Rogers Memorial fund, received for
which please accept our thanks.

We are making a strenuous effort
to raise Texas's quota and if any of your friends
feel disposed to make contributions we would appre-
ciate receiving them at an early date.

Yours very truly,
