Amon G. Carter
Ft. Worth Texas.

Dear Mr. Carter:

As chairman of the Will Rogers drive in this county report a fund of approximately 26.00. This money was all deposited with the First state bank of Spearman, Texas with the exception of about \$6.00 collected by the Gruver school, which sum was forwarded thru the First State Bank of Gruver, Texas.

I am a little disappointed with the results of the drive in this county. However, the collections represent reported from each town of the county.

It so happened that this county had to raise \$250.00 for our Boy scouts and \$113.00 for the Red Cross before the campaign was launched....it materially lowered our batting average.

Please send me 3 of the Will Rogers pictures you have advertised. Check enclosed. I will try and sell them as the last effort in the campaign.

Bill Miller
