

Mr. Carter-

You might be interested in# seeing what the Pampa, Gray county chairman and his committeemen, did in thw way of publicity during the campaign. This portfolio was sent down here for our inspection.

Pampa contributed \$171.70. Other towns in the county have not yet reported. I think this is a good showing.

We received from Taylor county this morning \$515. which also is a good showing.

Gilmore Nunn wants this portfolio returned after you see it.
