Mr. Gilmore Nunn,
Pampa, Texas.

Dear Mr. Nunn:

Mr. Record has turned over to me your folder giving a complete layout of the Will Rogers Memorial program, for which I desire to congratulate you. It is one of the most complete jobs that has been brought to my attention.

We are trying industriously to raise \$100,000.00 in Texas and, incidentally, \$35,000.00 of this amount in Fort Worth. Your showing for Pampa is excellent. If we could get the same proportionate enthusiastic report from throughout the state we could have raised \$200,000.

Mr. Record has asked me to return the portfolio to you which I am sending under separate cover.

Thanking you and with best wishes, I remain

Sincerely,

AGC:KD
