Rogers Campaign In City Praised

90
Gilmore N. Nunn, Gray county chairman of the Will Rogers Memorial campaign, has received the following letter from Amon G. Carter, Fort Worth publisher and state chairman:

"Dear Mr. Nunn: Mr. Record has turned over to me your folder giving a complete layout of the Will Rogers Memorial program, for which I desire to congratulate you. It is one of the most complete jobs that has been brought to my attention.

"We are trying industriously to raise \$100,000 in Texas and, incidentally, \$35,000 of this amount in Fort Worth. Your showing for Pampa is excellent. If we could get the same proportionate enthusiastic report from throughout the state we could have raised \$200,000."

Gray county to date has contributed \$172.17 to the fund.
