

December 31, 1935.

Dr. Walter G. Stuck,
1419 NIX PROFESSIONAL BLDG.,
San Antonio, Tex.

Dear Dr. Stuck:

In Mr. Carter's absence, I am answering your letter of December 26. You have made some very valuable suggestions for the handling of the Will Rogers memorial fund and I am confident he will appreciate them.

Your letter will be turned over to the committee, so its members will have the benefit of them, when they come to decide the method of its handling.

Yours very truly,

J M NORTH, Jr.
