Mr. Amon G. Carter,
Fort Worth, Texas.

Dear Amon:

I have just forwarded the last of the Will Rogers fund to Mr. Yarbrough as per ~~his~~ instructions. We got a grand total in the three banks here of \$262.04. I feel that this amount would have been more had it not been for the Community Chest drive at the time we attempted to raise this money.

I trust you are getting along fine, and that 1936 will be a happy year for you.

Yours sincerely,
