DALLAS, TEXAS

January 8/1936 -

My Dear Amos, -

Just had a fine visit with the powers that be with the Lone Star - I think it will bear fruit - however you have no idea of my visit - Believe you will receive a visit shortly but of course can't tell positively - When it comes the element of surprise will be in your expression - Thanks -

It might not materialize but I believe it will -

Sincerely,

Mr Amos G. Carter

Fort Worth,
Texas.
