

# AN APPRECIATION OF WILL ROGERS

BY DAVID RANDOLPH MILSTEN

INTRODUCTION BY TOM MIX

PROFUSELY ILLUSTRATED

Sallie Rogers McSpadden, sister of Will Rogers, in a letter to the author:

"I feel that it is the only authentic review of the life of my brother that has been written. I know that you have very carefully prepared the book and I approve the authenticity of the work. I have no objection to your using the material which I furnished you and I am anxious to see your book published and wholeheartedly endorse your work for publication."

Mrs. McSpadden gave generously of her time in assisting the author to compile this complete version of the life and early struggles of the immortal Will Rogers, and furnishes many of the pictures which lavishly illustrate the book.
