## OKLAHOMA WILL GET HALF OF MONEY FOR MEMORIAL TO ROGERS

OKLAHOMA CITY, Feb. 11.—(AP) Governor Marland said today he has been assured that one-half of the money which has jingled into the Will Rogers national memorial fund will be allocated to Oklahoma.

"Both Will Hays and Amon Carter have assured me of their support in asking that the funds raised by the national commission be divided equally between memorials in Oklahoma and California," the governor said.

Carter, Hays and Marland are three of the five members on the fiance committee.
