Mr. Amon G. Carter, President  
Fort Worth Star-Telegram  
Fort Worth, Texas

Dear Mr. Carter:

I am highly honoured to have received your invitation to attend the Fort Worth Frontier Centennial on the official Will Rogers Day.

I sincerely regret that business here at home forces me to decline at this time, otherwise I would accept without hesitation.

I wish to congratulate the Centennial Committee on its fine endeavors and add my wishes to the many others for the success of the Centennial in every way.

Thank you for your thoughtful consideration of me.

Sincerely, *Ed Borein*
