Mr. Amos G. Carter

H. Worth - Tex.

My Dear Mr. Carter:-

Your kind letter just came and I can not imagine a more desirable visit than one to the Centennial at H. Worth - Haw Tex. Mr. McSpadden's condition will not prevent me leaving him just now.

I'm hoping with cooler weather that Mr. McSpadden may improve sufficiently that I can go down if only for a day or so -

Not knowing of the special Miss Rogers day - my daughter Mrs. W. W. Milam and her family left Tuesday morning for H. Worth. Thank you so much for offering to make my reservations -

With all good wishes for your success and that of the Centennial

I am sincerely

Sallie C. McSpadden
