Mr. Tucker---The attention of the teachers is called to the rule concerning grade reports on students who have quit courses. The word "Drop" is an official one. If you

receive notice from the registrar's office that a student has dropped a course, you will please make note of this. If he was failing at the time he dropped, please note that on the report. If he was passing at the time he dropped, you will show that. If a student quits coming to class and you have no notice of a drop, then you will give him the grade of "F."

Mr. Tucker---Midsemester examinations will close on Nov. 5. Examinations may be given at any time previous to this, to suit the convenience of the teacher and the division of the course.
