
Vol. II November 20, 1931 No. 10

Dean Leftwich reports that Rev. E. D. Salkeld, pastor of the Abilene First Christian Church, will speak at the University Christian Church Sunday morning at 11 o'clock. He will also address the three chapel groups next week.

The usual 7 o'clock Sunday evening services of the University Religious Fellowship will be conducted this week by Miss Smith and members of the English department. Prof. Clubb will read the original of "Kubla Khan" with additions by a former English major of the University, Al Nelson.

Mr. Scoular will offer two songs, one composed by Miss Major and the other with music by Prof. Guelick.

A joint recital, sponsored by the department of music, will be given by Miss Bailey and Mrs. Cahoon in the University auditorium Sunday afternoon at 4 o'clock. All faculty members and friends of the University are cordially invited, according to Prof. Guelick.

Prof. Jones addressed the P. T. A. of E. M. Daggett Junior High Thursday afternoon on the subject "Control of Adolescent Behaviour."

Prof. Clubb recently reviewed a chapter in the German book "Hand Bush Der Amerikakunde" dealing with American civilization in general.

Mr. Cowan reviewed the biography of Joseph Pulitzer, publisher, at a meeting of the Bryson Club Tuesday night.

The Cooperative Mapping Committee of the Texas Bureau of Economic Geology and the Society of Economic Paleontologists and Mineralogists will meet in the basement

of Clark Hall Saturday afternoon at 2 o'clock. The Cooperative Mapping Committee, Prof. Scott reports, is engaged in making geologic surveys of North Central Texas.

Prof. Gaines and Prof. Chambers have set up their high frequency sound apparatus in the biology laboratory and are now carrying on experiments with various plants and animals.

"Counseling: Fad or Panacea," is the title of an article by Dean Leftwich, which appears in the November issue of "Christian Education."

Prof. Gaines urges all faculty members to attend the first lecture on this year's lecture series. Don Blanding, vagabond author and adventurer, opens the series with "Hula Moons," in the auditorium Monday night at 8 o'clock.

Dick Bailey, former French instructor, is now teaching at Oklahoma A. & M., Prof. Combs reports.

"Some Aspects of the Depression and Prospects of Recovery," was discussed by Prof. Elliott at the Thursday meeting of the Traffic Club.

Coach Schmidt addressed a stag party given by the student Y. M. C. A. Monday night on the subject, "The Game of Life."
