BEVERLY HILLS

January 18, 1937

Dear Mr. Carter:

The presents arrived fine and I have distributed them to Mary and Jim. I have been showing off my belt everywhere and everyone has admired it, from the printers to the polo players.

The pecans did not last long. All three boxes are already gone, but they were awfully good while they lasted.

The new Citizen building is coming along fine - we hope to move in around April 1. The ship strike has caused some delay in getting lumber, but not much.

Mother, Mary, Jim and I want to send sincere thanks for your kindness and I especially want to thank you for the belt.

Sincerely,

Bill
