Dear Mr. Carter.

I am very much ashamed
that this letter hasn't gotten
off sooner. The belt you sent me
is perfectly swell - I love it
and am so proud of it.

You were a darling to
send it to me and I can't
thank you enough. The nuts
were wonderful. They disappeared

so quickly that I think that
shows how good they were.

I am not doing the picture
but am very happy about it.

Consequently am over that case
of nerves I had when I saw
you -

Do hope you'll be coming
out soon -

Love

May
