Mr. Carter

Mr. J. M. North, Jr.,
Fort Worth Star-Telegram,
Fort Worth, Texas.

Dear Mr. North:

Thanks for your letter and thanks for the
Star-Telegram comment on the Citizen edition.

I am writing Mr. Carter asking for an
autographed picture and I wish you would send
me one of yourself. I have an office now in
our new building and I would like to have both
pictures there.

Remember if you ever even touch the Los
Angeles city limits you must drop by and see
our plant. We think it is quite a model one
for a small newspaper.

Sincerely,

Bill Rogers
