Mr. Charles E. McCarthy,
Twentieth Century-Fox Film Corp.,
Hollywood, Calif.

Dear Mr. McCarthy:

Upon my return to the city, after several weeks absence, I found a package containing fifty stills of Will Rogers which Mr. Will Hays advises were sent by you, for which please accept my sincere thanks and appreciation.

As explained to Mr. Hays when I asked if it were possible to dig up a few characteristic pictures of sweet ol' Will, it is my intention to have a bronze bust made of him and I am anxious to get all the material possible for the sculptress to work from.

Again thanking you and with best wishes, I am

Yours very truly,
