Mr. Amon G. Carter,
Star-Telegram,
Fort Worth, Texas

Dear Amon:

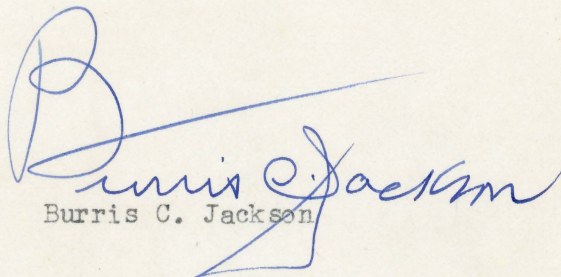

Every once in a while my office goes through my files, and today was one of those times, and the enclosed pictures of the monument placed at the spot where Will Rogers crashed was brought to my attention.

I am sending them on to you because of your deep personal friendship with Rogers, and with the thought in mind that you might care to make some use of these pictures.

With best wishes, I am,

Sincerely yours,

BCJ/hs
