My dear Mr. Carter:

We have just received an application for a certificate of registration under the Solicitation Act from the Will Rogers Memorial Commission, 570 Lexington Avenue, New York

Your name was given on the application as a member of the Executive Committee. We are, therefore, communicating with you in regard to the organization. We would appreciate a statement from you explaining fully the functions of the Commission, the responsibilities and activities of the Executive Committee and giving any other information which you think may be helpful to us.

Very truly yours,
