Dear Betty:

On my return from New York I drove out to see the picture Mr. Stone is painting of Will for the Coliseum. It is certainly marvelous and I am sure you will be delighted with it when it is completed which will probably be sometime within the next thirty days.

When the picture is finished and framed we are going to have an unveiling ceremony at which time the picture will be presented to the City of Fort Worth. Nothing would please us better than to be able to arrange this at a time that you could be here and other members of your family, is possible. So, will you advise me regarding your plans. As I recall, you indicated you were coming by to see us something this Spring.

Through an error the bronze equestrian was shipped to Fort Worth instead of direct to Claremore. We are now having it shipped to them and I hope they like it.

Mr. Stone is still waiting for the color film of Soap Suds which you indicated you would send, so that he can get the color right.

With heaps of love, I am

Sincerely,
