

July 12, 1940.

Hon. Jesse H. Jones,
Federal Loan Administrator,
Washington, D.C.

Dear Mr. Jones:

Your letter of July 9 enclosing a resolution authorizing the Treasurer of The Will Rogers Memorial Commission to pay to the Motion Picture Relief Fund, Inc., to be used for the Will Rogers Memorial at the Cedars of Lebanon Hospital, Los Angeles, California, \$36,000.00, and to pay said Motion Picture Relief Fund, Inc., such further sums, not to exceed an additional \$14,000.00, as may be received by the Commission from its undesignated share of the 1940 Will Rogers Campaign in the Theatres, received.

Mr. Carter has been laid up in the hospital for nearly two weeks as the result of a minor operation; however the Resolution was sent to him; he signed it; and it is returned herewith.

Yours very truly,

Secy. to Mr. Carter.
